Parkour Training - Boys and Girls

This fun, high-energy class will provide skills used in Parkour. Parkour is the non-competitive physical discipline of training to move freely over and through any terrain using only the abilities of the body, principally through running, jumping, climbing, and specialized movement. In practice it focuses on developing the fundamental attributes required for such movement, which include functional strength and fitness, balance, spatial awareness, agility, coordination, precision, control and creative vision. Classes are perfect for girls and boys looking for an exciting new activity!
